SOME GOOD RESOLUTIONS FOR LEEDS GRANGE TO ADOPT

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend Grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "stranger within our gates".

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to defend those he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will speak a good word for my grange and encouraging word to the Master and Lecturer.

I will try to make the grange a better organization from my being a member.

Let this be our code for 1936.

GREETINGS

Brothers and Sisters of Our Fraternity:

Let us co-operate and strive to make 1936 a banner year for our grange.

Let us do each duty assigned to us cheerfully and ever remember the noble object of our order.

" To develop a better and higher manhood and womanhood among ourselves and our community."

Let us respond readily to our Lecturer's call — always — this helps for a successful literary program.

If impossible to take the part assigned you in the program book, notify the Lecturer at once and secure a substitute when possible.

The members of the dining room committee are to furnish beans and brown bread. All other members are to bring pastry. Any member unable to be present will please procure a substitute or pay twenty-five cents to Ceres. This money to be used for kitchen and dining room requirements.
